

Prototype v1 - TA Recruitment System

Assessment 1 Deliverable

Primary screens (high-fidelity style guide):

- 1) Login/Home hero (glass cards, rounded depth, subtle gradients)
- 2) Job list with filters and apply action
- 3) Application status page
- 4) MO job-post form and candidate shortlist
- 5) Admin workload dashboard

Design language:

- Bright minimal base, iPhone-inspired spacing and hierarchy
- Motion durations: 120ms for tap feedback, 240ms for transitions
- Mobile-first breakpoints and high visual recognition

Prototype source:

- JSP page templates under src/main/webapp
